

At The Paddock, our wine list reflects the same philosophy that guides our kitchen: ingredients with a story, crafted with care, sourced with intention.

Our drinks list mirrors this connection – celebrating estate-grown botanicals, local artisans and the rich diversity of Australia’s wine regions. Select international makers complete the journey, each chosen for their sustainable practices and unwavering dedication to quality. From wines grown in Australia’s most expressive regions to spirits and produce nurtured here on our estate, each bottle celebrates sustainability, authenticity and a deep respect for place.

This is drinking with intention...
